Appended Easy to use start-up Wizard

In new Rename MP3 Files version was appended easy to use "Main Configuration" wizard.

It is shown after program installation and running at the first time automatically. New wizard will let users to start using Rename MP3 Files in seconds. It help to define:

- source directory (folder, files from which Rename MP3 Files will process: rename, sort, organize);
- database directory (folder, to which files will be moved or copied after processing);
- action (what to do with processed files: copy them from source directory to database, or move);
- registration (for users, who still did not registered their Rename MP3 Files product copy, may do it now in automatical mode).

Last product version may be purchased in our online store. All registered Rename MP3 Files users can get it for free.
